Four stages of *Krishna Lifting Mount Govardhan*

1. The sculpture's torso at the time of its 1973 acquisition by the Cleveland Museum of Art

2. After the 1978 restoration with incorrect limb fragments

3. In 2020 after an exchange of fragments between the Krishna sculptures from the National Museum of Cambodia and the Cleveland Museum of Art

4. Digital rendering: artist's re-creation of the sculpture completely restored and reinstated in the original cave temple on Phnom Da
